Emergency Water Supply Surcharge

As reflected in the memorandum account established in accordance with Advice Letter No. 159 (dated on or about July 10, 2007), a surcharge of \$2.98 per service connection will be applied for twelve (12) months from the effective date of Advice Letter No. 190 (August 21, 2008) to recover \$13,478.63 for expenses incurred as a result of acquiring emergency water in 2007 (effective December 9, 2008, per Advice Letter No. 198).

California Public Utilities Commission (CPUC)

Reimbursement Surcharge

A 1.5% surcharge is required to be added to all customer bills, which is calculated on all amounts due and forwarded to the Commission throughout the year.
